Vendor products

If its free can

it be as good as

some thing we can

build ourselves?

Actions

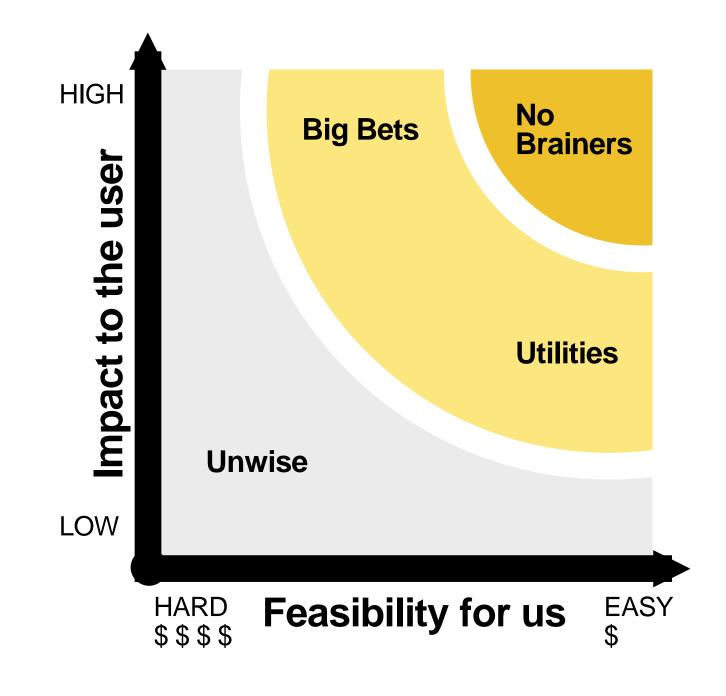

Works internally within
Chase. Deal w/
LOB was that has
their own LOB

Uses Workplace XT we've tried vendor products in the past, they never work out

Values

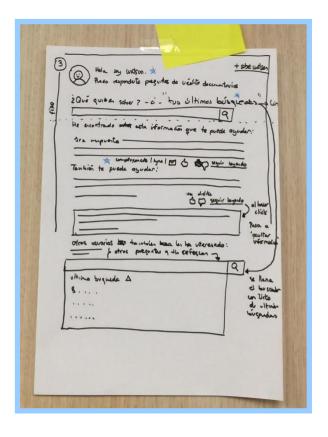

Activity: Prioritization Grid

- No Brainers pose the possibility of a tactical advantage
- Big Bets can offer strategic differentiation
- Utilities may represent table stakes
- Don't waste time or energy discussing Unwise items
